About Us

Al Amr Bin Ali & Partners Law Firm is a licensed Saudi professional company with a prestigious reputation and one of the most sought law firms in the Kingdom of Saudi Arabia. We are proud to provide comprehensive packages of professional legal services and consultations that achieve the highest quality standards based on the best legal methodologies and the latest international standards and practices.

We are keen to offer integrated and reliable legal services in innovative and unconventional ways in one place to meet the changing legal needs of all sectors. We seek to achieve the goals and interests of our customers and exceed their expectations by providing them with distinguished services with added value, relying on a thorough understanding of our customer's requirements, needs, and details of their cases.

A person's hands are shown typing on a laptop keyboard. Above the keyboard, several legal icons are floating in a semi-transparent, glowing manner. These icons include a classical building (courthouse), a pair of scales of justice, a magnifying glass, and handcuffs. The background is a blurred indoor setting with light coming through a window. A horizontal bar, half purple and half white, is positioned above the text.

Our Vision

Pioneering in offering specialized legal services and consultations, with focus on clients trust and satisfaction.

Our Mission

We work diligently to provide outstanding legal care & representation to our valued clients, drawing on our cumulative and long experience in various legal fields, and through the optimal utilization of the diverse skills of our team consisting of an elite of the best lawyers and legal advisors, and by adhering to the noble ethics of the legal profession.

We seek to remain at the forefront of law firms, and in our belief in this, we attract those with academic qualifications and practical expertise in the legal field, in addition to investing and developing the skills of Saudi talents and competencies.

We work hard to build and develop strategic alliances & partnerships with many legal partners known for their legal expertise. We are proud of our close and distinguished relationships with the most significant Saudi institutions, & we keep good relationships with family businesses that dominate the sectors of the Saudi market.

Our Values

Our work depends on the complete commitment and practical application of the values that we believe in, the most important of which are:

- ⊕ Transparency and integrity.
- ⊕ Professionalism and specialization.
- ⊕ Speed and accuracy of achievement.
- ⊕ Teamwork.

Our Goals

We work to achieve a set of harmonious goals, the most important of which are

- ⊕ Provide the best legal solutions to a wide range of beneficiaries inside and outside the Kingdom of Saudi Arabia.
- ⊕ Maintain the privacy of customers and the confidentiality of their data.
- ⊕ Continuous development and permanent improvement of work methodologies.

Our specialized services include multiple options to suit all needs and can be summarized as follows:

Litigation and Pleading

representing clients in all litigation procedures for all kinds of cases before courts and judicial authorities and before judicial and quasi-judicial committees of all types and judicial levels.

Legal Consultations

providing all legal advice in full compliance with local laws and international conventions.

Business and Corporate Sector

all necessary procedures for registering companies, commercial agencies, and trademarks, as well as restructuring companies, including formation and dissolution of entities, mergers, and acquisitions. In addition to corporate governance services, corporate liquidation, and bankruptcy cases.

Foreign Investment

providing all services and legal consultations related to foreign investment, such as issuing licenses and commercial records and representation before official and unofficial entities in the Kingdom of Saudi Arabia.

Legal documentation

offering outstanding legal documentation services using modern electronic means.

Arbitration

providing alternative dispute resolution methods, such as arbitration, conciliation, legal mediation, and amicable settlements.

Labor and Employment Laws

all services related to labor regulations, labor disputes, and administrative issues.

Intellectual Property

all legal services related to intellectual property rights, such as registration of patents and trademarks.
